

Virginia Green Partner Profile:

Indulge Mobile Spa

Indulge your mind, body and soul...conveniently!

Alexandria, Virginia

Virginia Green is the Commonwealth of Virginia's campaign to promote environmentally-friendly practices in all aspects of Virginia's tourism industry. **Virginia Green** has established "core activities" specific to each sector of tourism, and these practices are considered the required minimum for participation in the program. However, **Virginia Green** encourages its participants to reduce their environmental impacts in all aspects of their operations; and this profile provides a full list of all their "green" activities.

Virginia Green Partners are primarily committing to help support *Virginia Green* and encourage their customers to join or do business with Virginia Green-certified participants. Although not necessarily tourism facilities themselves, Partners are expected to practice green activities in their own facilities as well!
